1st Year

Dear Student,

Greetings in the name of St. Gabriel!

The School of Computing Administration, Faculty, and Staff congratulates you for making it to the **President's List** having a Grade Point Average (GPA) of **1.208** for the 1st Semester of School Year 2021 – 2022. A virtual recognition program is being prepared which will be posted in SOC's social media platforms. You will receive an email notification or post from the SOC's social media once the printed certificate is already available.

If there is an error in spelling of your name above, please let us know through this [link](#) and will correct it before printing the certificate.

Again, [congratulations](#) for making it to the honor's list and keep it up. Thank you very much.

- The School of Computing.
